Dear Mr. Thompson,

I hope this message finds you well. My name is Minister John R. Badger, and I am reaching out to request a meeting regarding some significant and longstanding issues affecting our community. These matters include the unlawful seizure of land, as well as disturbing allegations involving Mr. Shane Smiley.

It has been brought to my attention that Mr. Smiley allegedly orchestrated the false arrest of an individual, accompanied by an unlawful search of their home. When confronted, he reportedly stated, "I'm the reason you got locked up. You didn't have to do anything wrong." I possess video evidence and documentation supporting these claims that I would like to share with you.

Furthermore, I have been a direct victim of harassment by the Ouachita Parish Sheriff's Office, which culminated in a near-death experience while I was in custody at the Ouachita Parish Correctional Center. This pattern of mistreatment has followed me since I was 16 years old, and despite being 35 now, the issues persist.

Given the gravity of these matters, I would deeply appreciate the opportunity to meet with you in person at your office. I believe that your insight and influence can help bring these injustices to light and, ultimately, resolution.
